# SHADOW SLAYER

By **C. S. Brown**

It is the modern day world and for Pralin his dreams are becoming more and more real. They are dreams of an impending doom upon the world he knows. His dreams begin to show him of another world that was once a part of his - a world with the power of magic. There is nothing special about Pralin, he is as average as they come, but he does have a destiny even if he cannot see it yet. There is a prophecy that has been foretold in this world of magic for a thousand years, that a warrior will rise and defeat the evil Shadow Lord, for that warrior is the only who can. An older wizard by the name Dassimar believes that Pralin is the one to fulfill the Prophecy and brings Pralin into the world of Magic. Dassimar becomes his teacher and so Pralin's journey begins. He will fight his destiny but along the way he will find the warrior inside of him and the power to defeat the Shadow Lord. However one question still remains, will Pralin fulfill his destiny and defeat the Shadow Lord before it's too late and so begins book one of the Destiny of the Light Series.
